

Awana Guidelines

- Workers will wear masks/shields at all times. Children ages kindergarten through 6th grade will also wear masks at all times.
- Parents will register their children outside. They can then walk in the main door to drop their children off. They will exit through a side door that will lead them back to the parking lot.
- Temperature checks will be done on all workers and children who enter the church building. Temperatures must be under 100.4.
- Hand sanitizer will be available throughout the facility.
- All surfaces will be disinfected before and after use.
- Anyone who enters the building for activities related to Awana must have a Covid-19 release form on file.
- Dinner will be available at 5:15pm before Awana. Those who eat will sit down, socially distanced, at tables and wait to be served.
